STUDENT BODY

In Remembrance Of ...

Gene Fincher
1961-1976

Gene Fincher was a close friend to all of us at Meigs. Everyone who knew him, knew what a great, talented, and handsome young man he was. He was a winner, not only with the friends he knew and loved, but also in his academic and athletic achievements. Gene was a friend to everyone and remained ready to lend a helping hand and his sense of humor to those in need. His smile was constant and his wit abundant. We all loved Gene and he will always have a place in our hearts as long as our memories of him exist.

Cindy Murray
1961-1976

Cindy Murray was a most sensitive young lady who gave of herself to her fellow students at Meigs Junior High. Her love of people and music allowed Cindy to contribute much to the choral music program. As a member of the Concert Chorus and the Girls' Ensemble, Cindy enjoyed the true beauty of sharing through music. As we remember Cindy, we must be humbled by her perseverance. May her success of daily coping with physical struggles give each of us the courage to meet our daily problems.
